

**Errata for: “Probing the Universe: A Geometrical View for  
Observers of Spacetime Physics”**

Robin W. Tucker and Timothy J. Walton (Springer: 2026)

A list of typographical errors and correction for the book will be kept here. Corrections are emphasised in **red** text.

Please email [TWalton@lancashire.ac.uk](mailto:TWalton@lancashire.ac.uk) if you find any typographical errors not already listed.

page 402: The penultimate displayed equation on this page should read:

$$T^{(\text{MAX})}(X_0, X_0) = (\star\tau_c^{(\text{MAX})})(X_0) \, \delta_0^c = i_0(\star\tau_0^{(\text{MAX})})$$
